COMPANY PROFILE

AADI UDYOG a name which not just believes in excellence but also delivers it. The **AADI UDYOG** required to make state of the art faucets comes from meticulously planning and consistent quality checks. We have set up the first and only unit in South India and having satisfied the local market we believe that we could give the world a taste of our opulence. We plan on delivering premium bathroom fittings on a global scale.

Our factory is equipped with the modern state of the art machinery which helps us in giving the best quality products. Imbibing trust among our clients is the cornerstone of our vision, we work with a mission to provide innovative product designs that are cost efficient and backed by recognized standard quality measure.

We work with the prime objective of satisfying the esteemed customers with utmost sincerity, honesty and integrity. The aim is to "Supply finest quality products at the first time and every consecutive time".

VISION

To be a trustworthy company that provides best brass faucets, manufactured and delivered by the best-in-class people.

MISSION

To achieve our vision through fairness, business ethics, global reach, technological expertise and building long term relationships with all our customers, partners and employees.

Why AADI UDYOG ?

- Only established factory in South INDIA.
- Variety and affordability.
- Our stringent quality norm gives customers an assurity of quality product.

The Plumber's Choice

ADVANTAGES

SHOT ADVANTAGES

LONG LASTING SURFACE FINISH

SHOT uses triple layer plating technology to give the most shining and durable finish to its products. The surface finish complies with the most stringent test requirements across the globe.

UNMATCHED WARRANTY 10 YEARS

SHOT uses the best quality cartridge which lasts upto 3,00,000 cycles, giving life for more than 10 years.

CERAMICS VALVES

SHOT uses some of the world's best cartridges from leading European companies. These cartridges are guaranteed for use of more than 3,00,000 cycles.

GREEN TECH

SHOT offers a wide array of water saving products from aerators to auto shut taps. These products help conserve more than 50% of water.

GERMAN AERATION TECHNOLOGY

SHOT uses world class aerators for all of its faucets. These aerators from Germany give the optimum flow quality, avoid water splashing & also conserve water.

OPERATES SMOOTHLY

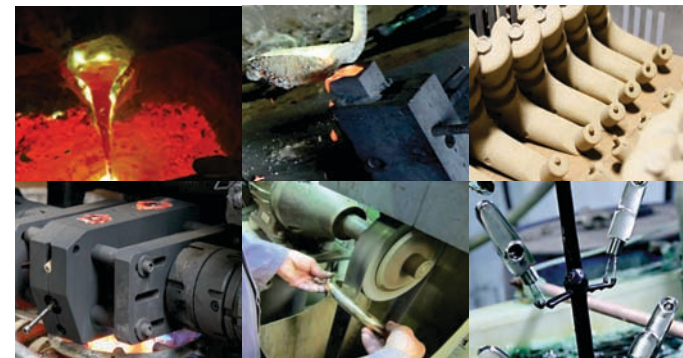

Wide-angle lever provides increased comfort and flawless smooth operation.

CUSTOMER RELATIONS

SHOT is a highly customer focused company. Building good customer relations is our top priority. Customer feedbacks and expectations are very important input to the company's future strategies. In line with the commitment of the management of the company to provide top-of-the-line service to its rapidly growing esteemed clientele, SHOT has build an efficient service network.

OUR VISION • OUR MISSION • OUR MANAGEMENT

QUALITY

OF THE PRODUCTION PROCESS
ONLY MATTERS

UNCOMPROMISING QUALITY

Various quality tests are carried out during the whole manufacturing process. For example :

- The valve / cartridge life cycle test (3,00,000 cycles.)
- 16 bar high pressure body leakage test & 6 bar operational leakage and flow rate test.
- Electroplating surface durability tests like Salt spray test, Nickel / Chrome thickness test, temperature resistance test.

DESIGN EXPERTISE

Design @ SHOT of thought. This is what best describes R&D at SHOT. Our designers keep exploring new approaches to perform and function, creating the concepts for the future. With some of the best brains in the industry, SHOT has the capability to develop the most innovative designs in the shortest possible lead time.

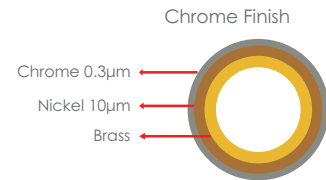

SOLID CONSTRUCTION

Parts made from solid metals like brass, copper and zinc. Contribute towards the solid construction of SHOT faucets. Ceramic technology used in SHOT faucets is far superior then compared to rubber valves.

STATE OF THE ART MANUFACTURING

SHOT products confirm to international standards. More than three decades of experience in manufacturing assures reliability in all products. Each SHOT product comes through the finest production lines-cast in high temperature furnaces, machined to accurate dimensions, ground-buffed & plated to a lustrous finish and finally assembled and tested for required performance-to-make its way to the most discerning customers.

SHOT SILKMOVE
Smoothest handling for effortless precision and ultimate comfort for a lifetime.

SHOT STARLIGHT
Made-to-last surfaces ranging from precious matt to shiny like a diamond.

SHOT ECOJOY
Save precious resources and enjoy 100% water comfort.

SHOT QUICKFIX
Faster, easier and hassle-free, SHOT quick fix cuts installation time by up to 40%.

SHOT ZERO LEAKAGE TECH.
No contact of water with lead and nickel due to isolated inner water ways.
